

# Party WITH A PURPOSE

Everyone loves a good party, especially one that supports a great cause. It's simple to do. Just gather your family and friends, host a get together and collect donations for Career Dress!

Pick a theme from the list below, or get creative with your own idea!

## Pump it Up

Invite your guests to bring new or gently used closed toe shoes to your gathering. Ask them to throw in some nylons, tights, knee-high or trouser socks, too.

## Halleluiah for Handbags

Each woman receives a handbag during her first visit to Career Dress. That could amount to over 30 purses each month that are given to women in need! We welcome gently used wallets, too.

## Bra-velous Party

In addition to their interview outfit, all of our ladies receive a new bra and panties. Our bra sizes range anywhere from 32A to 56H. Multi-packs of panties are an economical way to purchase and very needed as well.

## Lotions and Potions

Many of our ladies are single mothers who never splurge on themselves for lotions, perfumes or make-up. Have your friends pick up a few full size toiletries or ransack their drawers and re-gift to a sister in need.

## Baby it's Cold Outside

Our women are "dressed to impress" from the moment they step outside the door. For Michigan seasons, that means winter coats, boots, scarfs, gloves and rainwear. Try collecting outerwear and umbrellas for our gals.
